Celebrating over 20 Years! Raising \$20,000 to Fund Future Scholarships

Commemorating the 20th Anniversary, MartinArts launched a restricted fund that will provide funding for student scholarships for the next 20 years (or more) of the MartinArts Awards. The funds are securely held in a separate account designated solely for future scholarships. Contributions to the fund are 100% tax deductible.

As part of being chosen for a MartinArts Award in performing, visual, or literary arts, students receive a \$1,000 scholarship. With the establishment of this fund, we aim to increase the scholarship amount in the coming years. Student award recipients are selected by a panel consisting of industry experts and community representatives and are reviewed based on their application, art samples, and an in-person interview.

During the Awards Night ceremony, all nominees are honored, and students are encouraged to participate with:

- Performing arts students collaborating with peers for a performance
- Literary students responding to a writing prompt read by local actors
- Visual arts students showcasing their original works.

Program Ads

The MartinArts Awards program is provided during the evenings celebration to all guests and patrons. Program Ads are a great way to congratulate a Professional, Student Nominee, or Honorary Award recipients, and support the arts in our community.
